

Technical Rider Reanna Peris

According to the event will perform either with turntables or with CDJS.

In case of playing just with turntables then it has to be on the Dj booth just two Technics

Turntables and an ALLEN & HEATH mixer or a Pioneer mixer.
Behind the booth should be a table for the vinyl bag for a fast access during the show.

The turntables should be connected to the channels 1 and 4.

If the performance will be with CDJS then it should be two Pioneer CDJS NEXUS 2000 and an ALLEN & HEATH mixer or Pioneer mixer.
